

EPSON®

EXCEED YOUR VISION

Epson Stylus S20

Stylish document and photo printer

The Epson Stylus S20 is perfect for all your home printing, from text to A4 lab-quality borderless photos. It's cost effective too, because with individual ink cartridges you only replace the colour you use.

It's so easy to bring quality to your home printing. Whether you print documents or photos, the Stylus S20 coupled with Epson's DURABrite™ Ultra Ink prints high-quality documents and lab-quality photos that are water, smudge and fade resistant.

With Epson's range of software and print speeds of up to 26 ppm you really get great and fast results. Whatever you print, you can save money with individual ink cartridges from just €6.99*1.

Ideal for all your printing: print high-quality documents and photos

Long-lasting Epson DURABrite Ultra Ink: your prints are water, smudge and fade resistant

Keep costs low: only replace the colour you use with four individual ink cartridges

Lab-quality photos: produce life-like, long-lasting borderless photos up to A4

Combine quality and speed: print at up to 26 ppm and up to 5760 dpi resolution

Epson PhotoEnhance: automatically adjusts colour and contrast for great photos

Epson Easy Photo Print: remove red-eye from your photos

Key benefits:

- Perfect for all home printing, from documents to borderless A4 photos
- Save money with individual ink cartridges from €6.99*1
- Print high-quality documents and lab-quality photos with Epson DURABrite Ultra Ink
- Automatically adjust colour and contrast with Epson PhotoEnhance
