

Performance in printing. Productivity in the workplace.

A hardworking A4 mono printer that satisfies the needs of the most demanding small workgroups, with the value added support of OKI Printing Solutions' in-box utilities.

Simple to install, use and monitor.

Once installed, the printer is simple to use, manage and control, thanks to the unique collection of utilities included with the printer, avoiding the need for IT Manager assistance. Ask OKI is a dedicated online support tool, accessed easily via the printer driver and Template Manager provides ready-made templates to assist the printing of items such as address labels and envelopes. To assist management and control, PrintSuperVision allows network administrators, for example to remotely monitor all printers on the network and verify toner status. It also offers full support for OKI Printing Solutions printers within HP Web Jetadmin software, ensuring compatibility with existing systems and total business efficiency.

Class leading mono printing to enhance business efficiency.

The B6250 prints a quick 30 pages per minute (ppm) and not only has a class-leading combination of high standard memory (128MB) and fast processing power, but also offers two input trays as standard for flexible media handling. This model is also fully compatible with PCL/PostScript and its true 1,200 dots per inch (dpi) resolution ensures pin-sharp output every time – a must for all customer facing documents and output.

A powerful printer full of features and options.

The B6250 is a truly versatile printer, with a range of features and options to allow it to meet every user need and printing requirement. It holds 400 sheets as standard and there are also additional paper tray input options (up to 1,500 pages) for large capacity storage of multiple paper types. The optional automatic duplex allows easy, economical, double-sided printing for a professional booklet output.

Keeps on working, day after day.

As with all OKI Printing Solutions' products, the B6250 will provide reliable printing, day after day. As the business printing specialists we believe that effective printed communications are fundamental to successful businesses. That's why our focus is purely on understanding diverse printing requirements, advancing technology and providing printing solutions that will benefit businesses today and into the future.
