Colour scan your documents

As well as having all the cost saving advantages of mono laser printing, the DCP-7040 lets you enjoy the benefits of high quality, full colour scanning using any one of the following options:

Scan to File: You can save time by saving scanned documents directly to a pre-selected location on your computer in whatever format you choose, including PDF, JPEG and GIF.

Scan to Email: Scan your documents to your default email application to be sent as attached files.

Scan to OCR (Optical Character Recognition): Scan and convert paper documents to text, ready to edit in your preferred word processing program e.g. Microsoft® Word.

Scan to Image: Scan images directly to your selected imaging or photo application, ready for you to save, edit or print.

Further software features

The DCP-7040 enables you to reduce or enlarge your single or multiple page documents, with a range of comprehensive software features.

Poster printing: Where the need arises poster printing enables you to enlarge a single A4 page into a poster using 4, 9, 16 or 25 sheets.

N in 1: This allows you to reduce 2, 4, 9, 16 or 25 A4 pages to fit onto a single A4 sheet.

Advanced copy features

In addition to the above, you can benefit from these advanced copy features.

Reduction/enlargement: Reduce or enlarge your copied documents easily from 25% to 400%, using 1% increments.

Stack and sort: If you need to make several copies of a multipage document, then the stack and sort feature can save you time by automatically collating the pages into the correct order, instead of you doing it by hand.
