

Handheld Labelling machine

Key Features

- Save time up to 20mm per second
- Durable labels up to 12mm
- Independent function keys - easy access to Fonts, Frames, Symbols, Deco-mode
- Auto Designs - new feature offers pre-designed labels with frames and symbols
- Ergonomic Design - designed to fit in the hand comfortably
- Convenient built-in cutter
- Multiple power options - works with 6 AA batteries or AD-24ES adaptor (not supplied)
- Easy to use ABC keyboard
- Easy-to-read LCD screen
- **Comes with - 12mm black on white tape (4m)**

Versatile, practical and really easy to use; the PT-H105WB is everything you could want in a hand-held printer, whether it's for the home or the office.

You can get up and labelling straight away – with our auto tape detection technology (you don't have to set your tape size – it does it for you), there is a straight forward ABC keypad and the label application 'quick keys' allow you to quickly format and create your label – with a choice of 7 frames, 3 different font sizes, 9 styles and 10 auto label designs. And with a choice of 170 built-in symbols, you can make your label truly customisable.

The 12 character large display allows you to preview your label on the screen before printing.

This labeller takes up to 12mm tapes with an option of different colour combinations and tape types including our unique durable laminated tapes

Be creative. Be organised and with this stylish label printer
