Security

Reliable performance: Easily print up to 12,000 pages per month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

Keep jobs moving: With a maximum input capacity of up to 2,000 sheets and an ultra high yield toner cartridge, you won't have to add paper or change cartridges as often.

Get work done quickly: Enjoy print speeds up to 42 pages per minute, plus print or copy your first page in as little as 6.5 seconds.

Professional results. No training required.

Look sharp from the start. Our multifunction printer with its easy-to-use touch screen and impressive speed lets you power through any print job quickly.

Smart and easy to use: A 10.9 cm (4.3 inch) colour touch screen provides access to pre-installed productivity solutions and lets you operate the system through smart and intuitive navigation.

Front USB port: Print without a PC using our convenient USB port that lets you walk up, preview and print PDFs and many other file formats.

Print on a wide range of media: With built-in two-sided printing and the ability to print on diverse materials, you can do more for your business and use less paper.

Innovative toner that optimises performance: Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

Solutions-capable for a smarter workflow.

Our solutions-capable, eco-friendly systems can simplify processes and help you quickly respond to changing business needs giving you a competitive edge.

Work smarter not harder: If you can use a mobile phone application, you can use our pre-loaded solutions. Touch the screen and access shortcuts to scan, print or send faxes, emails and other business-critical documents fast.

Save resources and the planet: With pre-installed solutions like Eco-copy, as well as Forms and Favourites, you can print only the forms you need, saving toner, paper and the environment.

Enjoy enterprise-level security: Now you can authenticate, authorise and audit employee usage, plus protect sensitive data using standard network security protocols.

Print Anytime and Anywhere*: With this system, you can print from desktops as well as mobile devices that can run applications.

¹Average standard page yield value declared in accordance with ISO/IEC 19752. ²"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ³"Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁴Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁵Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁶Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁷Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details.
