MC360 Specifications

OKI
PRINTING SOLUTIONS

Exceptional colour with 4-in-1 multifunctionality for your small workgroup

The MC360 4-in-1 multifunction printer is ideal for busy individuals or for small workgroups.

The MC360 is exceptionally affordable to own and run, and compact enough to fit seamlessly into any workspace. So easy to install and operate that any user will very quickly be able to print, copy, scan and fax with outstanding results.

The MC360 includes a unique set of software designed to help users get the most of their product and investment. These advanced utilities come as standard in the box and deliver increased printing power and management control. For a complete list of utilities refer to the product specification table overleaf.

Consumables

For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.
